Dedication

Ptobably nobody knows who's who in our town better than Allison "Skinny" Morris, our unofficial town crier. Officially, he has been road foreman these past ten years, and also served as road commissioner at various times dating from 1938 for a total of sixteen years. He has worked on state roads as well as town, carried freight for the old H. F. Kalloch Store, has hauled coal, herring and bait. For a number of years he ran a fish and lobster buying-selling business at the Harbor. In addition to town business, he handles road repair and snow-plowing for private roads.

Born in St. George the last day of 1901, he has spent most of his life here. When he was a freshman in high school the family home burned and the large family all went into the woods and cut trees to build another home.

Skinny is usually seen behind the wheel of a truck, cruising the town's roads, checking out any changes from the previous day. He often has a small child as companion. He used to take his daughter Barbara. Later, it was one of his four grandchildren. Nowadays, the tot beside him, keeping company on his rounds, is a great-grand.

Town Manager's Report

To the Selectmen and the Citizens of the Town of St. George:

This is my tenth Annual Report.

As of December 31, 1977, total taxes collected were \$478,430.09 or 90% of the total tax commitment of \$533,953.22.

We closed out the year with a surplus in operational budget of \$5,600.00. Overlay \$20,932.69 and Excise Tax \$30,383.00 for a total of \$56,915.69 giving us a total Surplus of \$105,000.00

The Tennis Courts have proven to be very popular with the citizens. The courts are busy all season.

For the safety of everyone concerned, I hope the Parking Area at the beach will be used more this year.

Mrs. Elizabeth Jacks made a request of the Selectmen to see that the terms of the Little League Baseball Field easement is enforced. That is, only Little Leagues are permitted, under adult supervision, to use the field. No other group can use the field. This was signed by the Selectmen and accepted at Town Meeting in 1957.

The past year saw the Uniform Property Tax repealed, the true effect of which will not be known until the legislature passes a new Education Funding Bill.

The Bureau of Taxation is the major cause of the tax problems with their annual increase in Municipal Valuation which automatically affects our share of S.A.D. No. 50 costs and the County Tax.

In 1975 the Town started a fund to buy a new pumper for the Fire Department. We have \$15,000.00 put aside. The price for a new pumper is \$56,000.00 and the price increases each year. We can buy the pumper now and finance for four years without any effect on our tax rate. This pumper complies with all demands made by the insurance underwriters standards.

During the past year there have been building permits issued for 24 houses, 10 garages and nine additions. We have also had 151 property transfers that have to be checked.

The Town Office is having more transactions each year, and I would like at this time to thank June Smith for the very efficient way she operates the office, along with ambulance and fire calls.

I wish to thank the Selectmen for their help and co-operation.

To the Police Department, thanks for dedicated service to the Town.

I feel that this town is very fortunate to have such efficient ambulance service.

The coming year marks the 175th Anniversary of the Town of Saint George.

Respectfully submitted,
G. DEWEY THAYER

St. George Police Report

There is no way to obtain a comprehensive statistical crime report for St. George because of the multi-service nature of law enforcement. In reviewing the overall crime reports for Maine it is obvious that our community is not far from the average — yes, we do have our share of those who have little regard for the law and without an enforcement presence would no doubt cause our crime rate to rise.

Keeping the peace in St. George is accomplished via the Sheriff's office since there is a full-time Deputy on duty at all times — the telephone number is 594-5656 and is listed on the inside cover of your telephone directory — or dial the operator if you need help. The Deputy receiving your call will in turn dispatch the nearest officer(s) and depending on the nature of your call, he may send a town officer, a deputy sheriff, a warden, a State Police officer, or perhaps even a Federal officer (such as the Coast Guard). Each of these officers report to their own service, hence the difficulty of collecting data on their activity.

Keeping the peace in St. George is also the responsibility of each and every citizen. First in their individual desire to obey the law but more importantly in co-operation with the officers by being alert to possible illegal activities and being willing to step up and be counted by reporting such activity. Without the co-operation of the general public our community would become a lawless, dangerous place in which to live.

One final note and that concerns dogs. Please read carefully the dog law printed elsewhere in the Town Report. Dog problems by far occupy the most time of your officers. Dogs running at large, particularly unlicensed dogs, without up to date rabies shots pose a dangerous problem to all of us. Even the most seeming, domesticated dog reverts back to a wild state when raising game in the wooded areas. When they join up and run as a pack, they become an even greater menace since they will attack humans. This poses an especial danger to small children — aside from the dangers of rabies infection.

Report Of The Fire Department

The Department responded to a total of 44 calls and 82 ambulance calls. The calls are classified as follows:

False Alarms	1
Dump	2
Chimney	2
Grass	5
Appliance	1
Car	1
Building	4
Boat	2
House Trailer	1
Oil Burner	2
Woods (brush)	1
Cellars pumped	12

I would like to thank all members of the Fire Department for their support over the past year and also the Women's Auxiliary (Fireflies). The Fireflies also donated a Portable Fire Band Radio to the Fire Department. "Special" thanks to the organizations, citizens and summer residents of the Town of St. George for their support to the Ambulance Fund and generous contributions and support of our Fire Department.

I also would like to take this time to express my many thanks to June Smith for answering the Red Phone calls each day.

Port Clyde Water District

By act of the Maine Legislature (Legislative Document No. 696) and approved by the voters in Town Meeting, March 11, 1963, the Port Clyde Water District was established. The District is a non-profit public utility receiving all of its financial support from revenue derived from its water services.

In 1977 the District averaged 110 customers of which 47 were seasonal. Revenue collected totaled \$8,217.52 while expenses totaled \$8,040.36. Expenses in 1977 included one major item of \$1,264.67 to Seacoast Plumbing for repairs to the piping at the base of the water tower. We seem to have at least one major unexpected expense each year. We did manage to keep a reserve of \$2,449.10 in our savings account. Our delinquent accounts still pose a problem and it has been suggested that like delinquent taxes, a list be published in the Annual Report each year. This item will be discussed at the Annual Meeting.

Report of The Time & Tide Resource Conservation & Development Area

Time & Tide is a people program. It is sponsored and directed by the local people. It is a base for people to come together to plan and — more important — develop and carry out projects focusing on natural resources.

Much has been accomplished this last year by the Time & Tide Council and the help of eight resource committees. The Program of Action was supplemented to bring it up to date. Copies are available at the Time & Tide office in Waldoboro for anyone wishing one.

The following measures were completed: Critical area treatment at Reid and Popham Beaches, at Knickerkane Island in Boothbay and at Orr's Island Cemetery. Recreation facilities were completed at Union, St. George, and South Thomaston. A dune ecology assessment was completed at Popham, Reid, and Small Point Beaches. Steps to assist individuals with shore erosion problems were established. Forestry education workshops were held. A measure to locate the natural drainage area in Owls Head was completed. A special firewood sources leaflet was developed and distributed.

These and many other things were done because of the concerns and actions of local people.

The Ocean Resource Committee held a public access to water workshop. The Energy Resource Committee sponsored an energy fair. Efforts are proceeding to get the State Prison Farm utilized for agriculture and research by the Agricultural Resource Committee. A new brochure on Time & Tide was developed by the Information Committee. The Forest Resource Committee held many workshops and tours. Important farm land maps were developed by the Soils & Land Use Committee. The Recreation & Tourism Committee has completed the public outdoor recreation inventory. The Human Needs Committee held meetings pertaining to youth problems.

We would like to have you be part of Time & Tide RC&D. If you are interested and want to know more, contact your town officials or the Time & Tide RC&D office, Waldoboro, ME 04572, or phone 832-5348.

Sincerely,
WALTER S. FOSTER, Chairman

Town Manager, St. George
Tenants Harbor, Maine 04857

Dear Mr. Thayer:

The Mid-Coast Human Resource Council, like all Community Service Administration agencies, is required by law to seek local matching funds for the wide variety of programs which it sponsors throughout Knox County.

This year we are requesting \$1,753.00 from the town of St. George. This amount is calculated on the basis of the funds required by Federal regulations. The amount, .93c per capita, is exactly what we will be requesting from other municipalities.

Pages two and three of this letter provide a brief description of our major programs and a breakdown of the financial and human services that have been provided to St. George residents and businesses over the past year.

If you have any questions regarding this request, please feel free to contact Christine J. Mank, our Executive Director, or to visit our offices at 43 Park Street, Rockland, in person. Our Project Directors and staff would be glad to answer your questions and provide you with a personal tour of our offices.

Sincerely,
JAMES L. GRANT

Licensing of Dogs

R.S. 1964, Title 7, as Amended by the Public Laws of 1965, 1967, 1969, 1971, 1973, 1974, 1975, 1976, 1977.

Section 3451. Each owner or keeper of a dog at the age of 6 months or over, except dogs kept under a kennel license as provided in this section, shall on or before January 1st, annually, or at such time as such dog becomes 6 months old, cause such dog to be licensed in the municipal clerk's office in the town where such dog is kept. Such license shall state the breed, sex, color and markings of such dogs and the name and address of the owner or keeper.

No city or town clerk shall issue a license for any dog until the applicant has filed with such clerk proof that such dog has been immunized against rabies in accordance with rules and regulations promulgated by the Commissioner of Health and Welfare, provided that the requirement of immunization may be waived by such clerk under conditions set forth by the Commissioner of Health and Welfare.

A fee of \$1.50 shall be paid the city or town clerk for each license issued on male dogs, and a fee of \$5.50 shall be paid for all female dogs capable of bearing young. All female dogs shall be considered capable of producing young unless a certificate issued by any licensed veterinarian, or any previous license record, is presented from a licensed veterinarian stating that such female was made incapable of bearing young by spaying by him. When such certificate accompanies the application, a fee of \$1.50 shall then be paid on such spayed females. In addition to the amount paid for license and tag, each applicant shall pay the city or town clerk 50c for recording and making a return to the Commissioner of Agriculture, except that a license and tag shall be issued by the city or town clerk, upon application, for any trained guide dog owned or kept by a blind person without payment of any fee required under this section. When any such dog has not been previously registered or licensed by the town or city clerk to whom such application is being made, such town or city clerk shall not register such dog nor issue to the owner or keeper a license and tag therefor unless written evidence shall be exhibited to him that the dog is trained and educated and intended in fact to perform such guide service for such applicant . . .

A suitable tag showing the year such license is issued and bearing such other data as the commissioner may prescribe shall be given with each license and must be securely attached to a leather or metal collar which must be worn at all times by the dog for which the license was issued, and it shall be unlawful for any person to remove such tag or to place either collar or tag on any dog not described or for which the license was not issued . . .

Any person becoming the owner or keeper of a dog after the first day of January, not duly licensed as required, shall, within 10 days after he becomes the owner or keeper of said dog, cause said dog to be described and licensed as provided . . .

Section 3701. Whoever keeps a dog contrary to this chapter and chapters 701, 703, and 711 and sections 3603 to 3605, shall be punished by a fine of not more than \$25.00 to be recovered by complaint before any District Court.

Section 3702. The municipal officers of each municipality shall annually between January 1st and April 30th issue a warrant, returnable on October 15th following, to one or more police officers, constables or sheriff, directing him or them to proceed forthwith to enter complaint and summons to court the owner or keeper of any unlicensed dog. The said police officer, constable or sheriff shall, before entering such complaint and obtaining said summons, call on the owner or keeper of said dog and demand that he conform with the law and obtain a license from the clerk within 7 days from the day of demand, paying to the clerk in addition to the license fee, an officer's fee of \$4.00, which the clerk shall pay over to the officer, unless said payment is otherwise provided for in the municipal ordinance or charter.

Notice To Taxpayers

Before making an assessment, the assessors shall give reasonable notice in writing to all persons liable to taxation in the municipality to furnish to the assessors true and perfect lists of all their estates, not by law exempt from taxation, of which they are possessed on the 1st day of April of the same year.

The notice to residents may be given by posting notifications in some public place in the municipality or in such other way as the municipality directs.

The notice to non-resident owners may be by mail directed to the last known address of the taxpayer or by any other method that provides reasonable notice to the taxpayer.

If any person after such notice does not furnish such lists, he is thereby barred of his right to make application to the assessors or the county commissioners for any abatement of his taxes, unless he furnishes such list with his application and satisfies them that he was unable to furnish it at the time appointed.

The assessors or any of them may require the persons furnishing the list to make oath to its truth, which oath any of them may administer, and any of them may require him to answer in writing all proper inquiries as to the nature, situation and value of his property liable to be taxed in the state; and a refusal or neglect to answer such inquiries and subscribe the same, bars an appeal to the county commissioners, but such lists and answers shall not be conclusive upon the assessors . . .

Chapter 91A, Sec. 34. R.S. 1954

Notice To Veterans

Veterans or widows of veterans, who may be eligible for property tax exemption, under our Maine Laws, should be familiar with the requirement, whereby, application for tax exemption must be made to assessors before April 1st of the year in which exemption is expected to begin.

The following is taken from Chapter 91A, Public Laws of 1955, Section 10, Sub-section 111G:

"Any person who desires to secure exemption under the provisions of this subsection shall make written application and file written proof or entitlement on or before the first day of April, in the year in which exemption is first requested with the assessors of the place in which the person resides; and the assessors shall thereafter grant such exemption to any person while he is so qualified or until they are notified of desire or reason for discontinuance."

COMMENTS

OPERATIONAL RESULTS

The departmental operations for the year showed that a net unexpended departmental balance of \$16,470.33 was lapsed to surplus, per the following summary:

Departmental Accounts:	
Unexpended Balance	\$25,440.66
Overdrafts	8,970.33
Net Unexpended Balance	\$16,470.33

The overlay and unexpended balances in the contingent, dump maintenance, winter maintenance and welfare accounts, less overdrafts in the fire department, insurance and retarring accounts were the major factors contributing to the net departmental balance lapsed to surplus. The records did not indicate that authority had been granted allowing overdrafts in the appropriation accounts.

The following comments pertain to the accompanying financial statements:

ASSETS . . . The general fund cash accounts at December 31, 1976 amounted to \$28,894.45. The bank balances and in transit deposits used in reconciling the cash balance were confirmed by the depository. The change fund was counted.

Investments of \$24,178.74 in the Depositors Trust Company, Rockland, Maine, represents the balance of federal revenue sharing funds to be allocated in the ensuing year.

Taxes receivable totaled \$60,664.49 at the year end. Of this amount \$56,750.40 was for current year accounts and the remaining balance of \$3,914.09 was for delinquent accounts dating from 1969. Tax liens and tax acquired property amounted to \$6,946.89 and \$1,231.56 respectively. It is recommended that appropriate action be taken to liquidate the delinquent tax accounts.

LIABILITIES, RESERVES AND SURPLUS . . . General fund liabilities of \$803.77 consisted principally of payroll deductions due governmental agencies.

Unexpended departmental balances totaling \$4,459.48, are carried forward to the ensuing year in accordance with legal requirements and/or customary practice. It is suggested that the voters stipulate annually the operating account balances, except those which are required by law to be carried, that are to be forwarded to the ensuing year.

Unappropriated federal revenue sharing funds of \$24,733.22 were available at January 1, 1976. Entitlement payments for the year amounted to \$25,259.00. Interest earnings of \$1,686.52 were credited to the fund. Appropriated federal revenue sharing funds of \$27,500.00 were transferred to the town's operating accounts and expended for financial administration, public safety, environmental protection, public transportation, recreation and social service purposes. Unappropriated funds amounted to \$24,178.74 at December 31, 1976.

The amount of \$10,000.00, for a fire equipment reserve fund, was shown as a due to reserve fund pending investment as prescribed by statute.

The unappropriated surplus amounted to \$83,359.38, an increase of \$13,238.09 for the year. This change was occasioned principally by the net unexpended departmental balance lapsed and unallocated excise tax revenue less a voter authorized transfer to reduce the tax levy.

TRUST, SPECIAL AND RESERVE FUNDS . . . Trust funds principals totaled \$26,777.08 and unexpended income was \$3,434.58 at year end and were represented principally by securities and bank deposits. The Collins Memorial Park Fund of \$2,113.22 and the St. George Building Fund of \$18,920.33 were represented by certificates of deposit in the Depositors Trust Company, Rockland, Maine. The fire equipment reserve fund was due from the genjral fund.

GENERAL

The use of excise tax revenue and the transfer from surplus to reduce the tax levy were voter authorized.

Transfer of federal revenue sharing funds in the amount of \$27,500.00 were
